Subject: Charter/Bond

On the Charter Application for jurisdiction put in "All IFPTE Affiliated Local Unions Associated With The US Army Corp of Engineers."

Please list the Locals and Location that are currently participating in the Council. By Location, I mean the facility where the Local is present.

Please send the \$100.00 application fee with the completed application.

The minimum bond requirement under our Constitution is \$5,000.00. The three year premium is \$148.23. You may right one check for both, but please note this on the check stub.
